

## Terms and Conditions for Registration

- For all new registrations and re-enrolments, the child's father/legal guardian agrees:
  - a. To all the terms and conditions contained herein.
  - b. That all information provided to the school is true and legally accurate.
- For the legal guardian, the court final custody decision or the authorised attested registration permission must be brought to the school. If the father is deceased, a death certificate should be presented to school.
- The parent/legal guardian agrees, and agrees on their child's behalf, to abide by all the school's policies and procedures.
- The parent/legal guardian agrees to pay the school fees as specified by the school and shall inform the registrar at the earliest opportunity if they do not wish to register their child.
- If a place is offered, the parent/legal guardian shall pay a KD100 registration deposit fee (non-refundable) to reserve it. If payment of this deposit is not made, your child's registration and place will not be confirmed and may be offered to another child.
- The registration deposit fee is deducted from your school fees.
- The parent/legal guardian is not entitled to a refund of the first instalment, and the school has the right to claim the first instalment if the child attended the school even for one day.
- All necessary paperwork must be submitted before registration can be completed. When requested, the parent/legal guardian will be required to provide their child's medical records and, if applicable, a copy of their child's last school report.
- The parent/legal guardian agrees that the completion of an academic year at Gulf British Academy does not guarantee automatic enrolment into the following academic year, with the school reserving the right to discontinue enrolment at its discretion.
- The parent/legal guardian agrees that their child is fully toilet trained and understands that his or her place at Gulf British Academy may be withdrawn if this condition is not met.
- The school must be informed if your child is going to be absent for any length of time, otherwise their place will be cancelled.
- The parent/legal guardian agrees in advance that their child will attend all school trips.
- The parent/legal guardian agrees to permit the school to take photographs (which may include their child) during events, trips, and class photos for use internally and on the school's website and social media platforms (Facebook, Instagram, Twitter).
- The parent/legal guardian agrees that the school shall not be held responsible or liable for the loss or damage to any item brought into the school.
